You would be astonished to see how many P.E. licensees forget to have their license number on hand!! Be sure that you have yours with you when you come.

You don't have to sign into the building at Briarcliffe, but for CEU credit, you must sign in at the CEU spreadsheet before the session begins and you must sign out at the CEU spreadsheet when the session is over. Don't forget to do both!!

Please prepare your check per the above example. It makes things ever so much easier for the LICN treasurer and we do want to take very good care of that man.

See you there.
